

Spring Fling

A DAY OF FUN!

Thursday
April 28, 2022
9 a.m. - 5 p.m.

Motor coach will depart from and return to the
Town Common Parking Lot (142 Middlesex Ave.)

Our first destination
today is
Smith's Cheese
in Winchendon.

The first step in cheese production is the milk. Here, cheese is made from the freshest milk possible. The milk used at Smith's Country Cheese comes directly from their dairy herd of 200 Holsteins. The milk is pumped into the cheese vat just minutes after the last cow in the herd is milked. The result is true farmstead cheese!

While here, visit the country store to purchase some cheese for later if you choose!

Lunch today is at **The Inn at East Hill Farm.**

Known for their country-style home-cooked meals, large platters and bowls will be placed on the table, and everyone can help themselves to all they can eat.

After lunch, we will be entertained by Walt Sayre, playing his keyboard for a sing along.

We will follow-up with BINGO with cash prizes!

Finally, enjoy the grounds and farm animals - this is a fascinating place to stroll around!

Trip includes:

- ⊗ Motor Coach Transportation
